CONFIRM YOUR ATTENDANCE

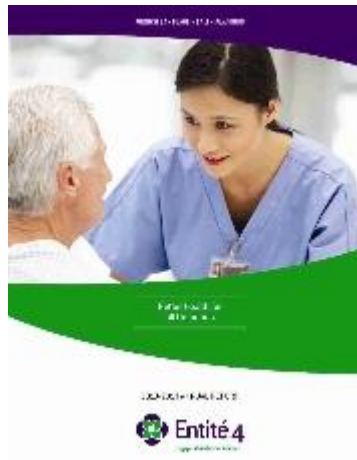

In the spotlight

On March 25th, **Centres d'Accueil Héritage (CAH)** officially launched the **Adult Day Program in French in Oshawa**. This new Adult Day Program is offered two days a week and provides social and recreational activities in French as well as supervised exercise sessions overseen by professional staff specially trained to work with seniors who are experiencing physical or cognitive difficulties.

What's new?

- **Entité 4's 2013-2014 annual report is now available.**

Entité 4 welcomes **Yves Lévesque** and **Geneviève Segu** on its Board of Directors, from the Central and North Simcoe Muskoka LHINs respectively.

If you wish to serve on Entité 4's Board of Directors, please forward your resume to info@entite4.ca

Become a corporate member of Entité 4 and show your organization's interest and commitment towards improving access to health services in French. [Read more](#)

Entité 4 in Action

► Entité 4 was present at **La Foire de la francophonie** organized by l'Association des francophones de la région de York (l'AFRY) to inform the community of its projects and to answer their questions about health services in French.

► Club Richelieu Toronto and Club Richelieu Trillium recently presented the **40th edition of their Public Speaking Contest** held at the Thornhill Golf & Country Club on April 29th. Entité 4 was thrilled to participate by sitting on the panel of judges for this very popular event.

► **L'École secondaire catholique Renaissance organized a Health Career Fair** on June 4th to inform students about career possibilities in this sector. Entité 4 was present to remind the students about the importance of French language in health.

Did you know?

► Keeping Children Safe from Harmful Diseases. The province has updated the immunization requirements for the 2014/15 school year. [Read more](#)

► The Best Start Resource Centre offers [a booklet for teens](#) that will guide them through six topic areas: physical health, mental health, reproductive health, relationships, family health history and their future.

Quick Picks

► CAMH received funding from CIC to create a set of online resources for this Refugee Mental Health Project. [These courses are intended to enhance service providers' knowledge, communication, comfort and cultural competence when working with refugee clients.](#)
