Entité 4 in Action

Entité 4 was at the Franco-Fête on Yonge-Dundas Square July 5th and 6th to inform francophone communities of North York and Scarborough about upcoming projects and remind them about what has been done for the francophone community at Bendale Acres. This festival attracted many Francophones from Toronto as well as tourists who enjoyed the French touch.

Entité 4 also had a booth at Festival du Loup in Lafontaine on July 19th to inform the community about our work with [CHIGAMIK Community Health Centre](#) to facilitate access to quality health services in French in Barrie. Many families were at the festival to sing, dance and explore different booths.
