Workshop: Language in Patient Centred Care

Entité 4 offers a workshop that will bring together Health Service Providers, Administrators and Patients for a half-day session to discuss the Patient Experience Continuum when **addressing language barriers**.

It opens a dialogue, explores perceptions and builds awareness of how our actions can be interpreted by others – namely our patients.

The next workshop will be offered in Orillia on Tuesday April 7, 2015.

Francophones Wanted!

► We are currently recruiting dynamic and committed members who care about the health of Francophones. For those of you who have never been a board member, or even if you have experience, Entité 4 is pleased to invite you to a training session on governance on Saturday, April 11.

[Click here for details or to submit your application.](#) (information available in French only)

Entité 4 in Action

► Networks and Entities met this March at [the 3rd Forum on Health in French in Ontario](#) and agreed on a common approach to the active offer of French Language Health Services in Ontario. You can read the [Joint Position Statement on the Active Offer of French Language Health Services in Ontario](#) and the [press release](#).

► Youth 14 to 29 years, parents, and Francophone service providers in the Simcoe area are invited to the [Café Rencontre francophone](#) on March 26 th from 4pm to 7pm at the Midland Cultural Centre (333 King Street, Midland) where we will discuss different avenues available to young people on career, transition to adult life , health and personal well-being.

► [L'Association des francophones de la région de York](#) (AFRY) is inviting you to the Foire de la Francophonie on Saturday March 28, 2015.

What's new?

► Entité 4 is pleased to announce the appointment of **Mr. Clément Habiyakare as Planning Officer**. With a Master's Degree in Public Health and a professional background in occupational therapy, Clément has proven abilities in research, analysis and planning as well as experience within the Local Health Integration Networks which will certainly be an asset to Entité 4's activities. We are happy to welcome him into our team.

► **SAVE THE DATE!** The City of Toronto Long-Term Care Homes & Services, in partnership with the Central East Local Health Integration Network, Entité 4, Reflet Salvéo, Fédération des aînés et retraités francophones de l'Ontario and the Réseau franco-santé du Sud de l'Ontario, is organizing **the first ever bilingual Seniors' Wellness Symposium – Symposium du mieux-être des aînés** in the Greater Toronto Area (GTA) at Bendale Acres Long-Term Care Home (2920 Lawrence Avenue East, Toronto) **on June 16 and 17, 2015.**

New & Interesting

[Canadian Health Measures Survey](#): Directly measured physical activity of Canadians, 2012 and 2013.

Quick Picks

► [Patients First: Action Plan for Health Care](#) is the next phase of Ontario's plan for changing and improving Ontario's health system, building on the progress that's been made since 2012 under the original *Action Plan for Health Care*. It exemplifies the commitment to put people and patients at the centre of the system by focusing on putting patients' needs first.
