Francophone Community Table on Health – Durham Region

► The collaboration between the Central East Local Health Integration Network (Central East LHIN), Entité 4, health services providers and community partners in Durham led to [the establishment of a Francophone Community Table on Health – Durham Region](#) which was proudly launched on April 28, 2015.
[See the press release.](#)

Entité 4 in Action

► [Entité 4 has designed a workshop that examines the role that language plays in the Francophone patient experience.](#) This half-day session opens the dialogue between Francophones and health service providers to sensitize the latter group to **the importance of providing health services in French.**

► [Café Rencontre by Francophone COMPASS](#)

Parents, youth and Francophone stakeholders in Simcoe Region were invited to find out about services offered by Francophone organizations and practitioners. We had the privilege to listen to a panel discussion on the different avenues young people can take during their transition to adulthood.

► [Community Event](#)

On May 9, 2015, the annual community celebration of the Conseil scolaire de district catholique Centre-Sud (CCDCS) was held for Simcoe Region. Various events took place throughout the day at the ÉSC Nouvelle Alliance in Barrie.

What's new?

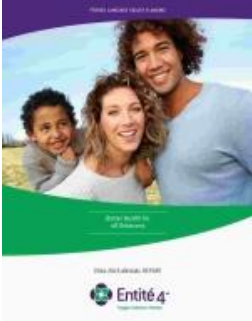

► The City of Toronto Long-Term Care Homes & Services, in partnership with the Central East LHIN, Entité 4, Reflet Salvéo, Fédération des aînés et retraités francophone de l'Ontario and the Réseau franco-santé du Sud de l'Ontario, is organizing the first ever bilingual **Seniors' Wellness Symposium – Symposium du mieux-être des aînés** in the Greater Toronto Area at Bendale Acres Long-Term Care Home on June 16 and 17, 2015. Register now for the **June 16th conference** [by clicking here.](#) For information about **the fair on June 17th**, [click here.](#)

► The Central Local Health Integration Network (Central LHIN) would like to invite the **Francophone community to share its knowledge and experience** with the health care system for the development of the *2016-2019 Integrated Health Services Plan.*
