Entité 4 in Action

Cheers to 400 years! Festivities surrounding the 400th anniversary of French presence in Ontario that were held in Penetanguishene on August 1st were a huge success. Many Francophones from across the province were present for the unveiling of the new statue located on the shores of Georgian Bay and enjoyed the various activities in Rotary Champlain-Wendat Park in Penetanguishene.

Festival du Loup It's under the warm sun of July in Lafontaine that was held the Festival du Loup with an emphasis on the 400th anniversary of French Presence in Ontario. Entité 4 received visitors from the Champlain era and a particular theater group.

Welcome to CFB Borden!

This year, Canadian Forces Base Borden combined three events in one Saturday, September 12 "Welcome to CFB Borden." Many organizations from the base and from the region were present to promote their products and services. This event allowed Entité 4 to meet many francophone families newly arrived in the area and several community organizations and clubs at the base. Congratulations CFB Borden for the success of this event.
