

# Ontario Health Teams: Providing Connected Care for Francophones in North York West

## Integrating French Language Health Services into your Ontario Health Team

Entité 4 can support your efforts to engage with the Francophone community. Other local resources:

**North York West French Language Services Advisory Committee** works to promote health services in French. This Committee leverages existing partnerships and networks (community organizations, school boards and HSPs) to build awareness and engage Francophone communities on various health-related issues.

The *People's Health Care Act, 2019* states "the public health care system should recognize the diversity within all of Ontario's communities and respect the requirements of the *French Language Services Act* in the planning, design, delivery and evaluation of health care services for Ontario's French-speaking communities."

### What do you need to know about the Francophone community in North York West?

The rich diversity in the Francophone populations served by Entité 4 in North York West translates into complex and varied health needs.

The growing Francophone communities within the Greater Toronto Area include diverse ethnic communities and newcomers to Canada. Entité 4 can provide expertise and meaningful data on the socio-demographic profile of your francophone community.

## Does the Ontario Health Team for North York West serve a designated area?

The City of Toronto, including North York, is one of **26 designated areas across Ontario**.

Under the *French Language Services Act*, a person has the right to communicate in French with, and to receive available services in French from “any head or central office of a government agency or institution of the Legislature, and has the same right in respect of any other office of such agency or institution that is located in or serves an area designated”.

## Are there any identified or designated Health Service Providers (HSPs) in your OHT?

Supporting the **identification** and **designation** processes of HSPs for the provision of French Language Health Services (FLHS) is an integral part of Entité 4’s work to ensure sustainability of services over time.

The **identification process** is the selection of HSPs with capacity to plan and deliver safe and quality services in French.

**Designation** is the legal recognition by the Ontario government of an organization’s ability and ongoing commitment to provide high-quality services in French.
